

59th Annual Meeting for Junior & Senior Academies

**CALL FOR JUDGES
FOR SCIENCE & MATH PRESENTATIONS**

**New Jersey Academy of Science Meeting
Saturday 19 April 2014**

Hosted by Raritan Valley Community College

On April 19, 2014, science & math students throughout NJ will present 10 minute oral PowerPoint talks on their research. High school students compete in the Junior Division and College, Master's & Doctoral level students in the Senior Division. Awards are given for outstanding talks. Science & Math & Technology professionals are asked to volunteer as judges in any of the following fields:

**Environmental Science / Ecology
Cell or Molecular Biology
Health / Medicine
Chemistry / Biochemistry
Physics / Engineering
Mathematics
Computational Science
Psychology / Animal Behavior
Microbiology
Botany
Marine Science
Science or Math Education
Earth Science / Geology / Meteorology**

If you would like to serve as a judge, please email Dr. Eric Iannacone at:

eiannaco@raritanval.edu or phone (908) 526-1200 x8327

Please indicate your degree, the expertise area(s) for your judging preference, & if you prefer to judge the Junior or Senior Division.
